Who are we

Our journey embarked in the world of spices and food supply in 1975, and since then, we have passionately dedicated ourselves to delivering high-quality, authentic ingredients across India. In 2006, we progressed into serving our flavors and spreading the aroma across the Asia, the Middle East, and the Europe under the house of M R Argo Industries. Our commitment to excellence has been the cornerstone of our growth, leading us to further expand in North America under the MitRam brand.

At MitRam Foods Ltd., we are more than just a grocery brand; we are the curators of culinary tradition and quality. Our mission is rooted in providing pure and natural products that connect consumers with the authentic flavors of India. We take pride in our unique approach, which centers on direct sourcing from local farmers and processing each product with meticulous care. Our state-of-the-art in-house facilities are equipped with advanced sortex and cleaning machinery, ensuring that every product meets the highest quality standards. Our journey continues to be driven by passion for quality, authenticity, and the joy of bringing the best of Indian cuisine to your home.

At MitRam foods ltd., our mission transcends mere grocery supply, we are passionate about bringing the authentic and rich culinary heritage of India to your dining experience. We believe that every meal tells a story, and our goal is to help you craft that narrative with genuine, high-quality ingredients. We aim to deliver a complete culinary experience, reminiscent of traditional Indian cuisine, a harmonious blend of flavors, textures, and nutritional goodness. From carefully sourced grains and lentils to meticulously processed spices and pantry essentials, each MitRam product represents our unwavering dedication to quality.

Our Manufacturing Facilities

- Buhler UK sortex with full cleaning plants (3 units)
- Latest cleaning machine plants (4 units)
- Sesame seeds hulling plant with dryer & cooler
- Pouch packaging machine
- Auger filler for ground spices
- Metal detector
- Inhouse lab facilities
- 100% cargo stuffing at factory
- Warehousing facility at factory as well as Mundra port
